

The Food Bank of Delaware is the only facility in Delaware with the equipment, warehouse and staff to collect donations from all sectors of the food industry and safely and efficiently redistribute them to those who need it most.

Through the Backpack Program, the Food Bank of Delaware provides food to at-risk children for weekends and holidays when school is not in session and federal school meal programs are not available. Backpacks are stocked with kid-friendly, nutritious food including shelf-stable milk and juice, pop-top meals, macaroni and cheese, apple sauce, cereal and more.

Check must be made payable to:
Delaware Community Foundation

YOUR SUPPORT MAKES A DIFFERENCE

Tidewater has sponsored an annual charity golf outing since 2008 as a way of partnering with local non-profit organizations to help us give back to the community.

To date and with the support and generosity of our outing participants, Tidewater's Charity Golf Outing has resulted in over \$230,000 donated to local Delaware charities. We value and appreciate your support of this effort.
